Using Technology and mHealth to Transform Public Health in Rural Communities

Ashok Mathur,
Co-founder & CEO, Patagonia Health
Public Health : 2020 Goals

Set Goals: Measure, Analyze, Improve

How is my county doing?
County Health: Dashboard

Measure: Real time Electronic Health Record data
County Health: Map

Reported Influenza cases

Analyze: Identify target population
Community Outreach: Voice/text/email

Improve: Reach out to target population
Electronic Health Record EHR apps
